## SCHOOL PRESENTATION PROPOSAL

**From:** Sherry K--Pianist/Composer

**RE:** Musical Presentation entitled *Keep Practicing: A Pianist's Journey*

**PURPOSE:** Motivation, motivation, motivation! With considerable emphasis placed on inspiring young music students (and teachers as well!), the setting is light, fast paced and fun, including a segment describing Sherry's experiences as a piano student starting at the age of 3 years old.

**CONTENT:** The program consists of old jazz novelty pieces, television/movie themes, classical works, as well as original music from Sherry's latest CDs (light jazz/new age). The length of the program varies, depending on the needs of the teachers. Typically, it runs between 30 and 45 minutes. Each performance is customized to suit the interest of all ages, and it is received best when the students are divided into smaller groups. In regard to music standards, content may include analysis, composition, performance participation, and history.

**COST:** \$250 for a single performance, \$350 for a half day of performances, and \$500 for a full day of performances. Artist in Residence program-\$2500+expenses.

**CONCLUSION:** Let's get these kids excited about music!
