Sherry K Jamming in the Schools

Along with her rigorous concert schedule, Sherry K spends much of her time in the schools, sharing her passion and enthusiasm for music with kids. Her program is entitled "Keep Practicing: A Pianist's Journey". It consists of old jazz novelty pieces, television/movie themes, classical works, as well as original music from her latest CDs. With considerable emphasis placed on motivating young students, she keeps the setting light, fast paced and fun, including a segment describing her experiences as a piano student starting at the age of 3 years old. Sherry just arrived back home after an extensive tour in Iowa. See what the students have to say about Sherry K at her Guestbook.

Do you know of a school that would benefit from Sherry K's presentation? Just contact her at sherry@sherryk.com.

"BRAVO! That CD is wonderful! So wonderful in fact that I would like to place an order for 12 more. Decided "Sunday Best" would be a great Christmas gift for 12 of our family and friends."

"I wanted to tell you how much I like your new album 'Sunday Best'. You show your talent in all musical styles. Tell Vickie that the clarinet sounds great also. I have been listening to it over and over – your best yet. "

"On my way into work, I was listening to your new CD. It sure made the drive more enjoyable. The CDs will make great Christmas gifts!!! Thanks for hearing tunes and rhythms, most others don't hear or feel. Appreciate your talent so much."

This is what they're saying about Sherry K's newest release Sunday Best: Hymns and Spirituals Freshly Pressed. Recorded at the Gaither Studios, this disc is loaded with fun----these are not your Grandma's hymns! Well, actually, they are, but with a delightfully invigorating toss through the spin cycle to keep them fresh and exciting. If you'd like your own copy, just e-mail Sherry or visit either her site or cdbaby.com (And while you're there, write a review!).

Benefit Concerts

On Sunday, October 15th, at 6:30 p.m., Sherry K gave a concert at Walkerton United Methodist Church to help support the Walkerton Food Pantry. Joining Sherry were the Southside Singers, Vickie Marshall on clarinet, and Ryan Claus on a host of other instruments! TONS of canned goods were donated---woo hoo!

Also...

On Sunday, October 29th, Sherry K gave a concert at Gospel Center Missionary Church, in South Bend, IN. All donations received during the performance were given to Albright United Methodist Church, Mishawaka, IN, whose members lost their building tragically in a fire. Joining Sherry

were the Southside Singers, Vickie Marshall, Ryan Claus, and local poet, Joseph Schultz. By the end of the evening, nearly \$1,800 was collected and given to members of Albright UMC!

Sherry K and Southside Singers a Big Hit at Regional Assembly!

On November 10th, Sherry K and the Southside Singers performed the song, "Lift Your Light" for the Christian Church (DOC) Indiana Regional Assembly at the Marriott Center in Indianapolis. After a tumultuous trip down to Indy (The van that was borrowed broke down in the middle of the highway!), the choir took center stage to a huge, receptive crowd. It was a privilege to be a participant in the event and to represent Southside Christian Church (DOC) on a regional level.

Did someone mention the Southside Singers?

Under the direction of Sherry K, the Southside Singers present the Christmas cantata, Christmas Seekers at Southside Christian Church on Dec. 17th. It's such a special occasion, they're going to do it twice-- once at their 10 am worship service (with Sherry K accompanying) and again at 7:00 pm with an orchestra!

There will be a free-will offering taken at the end of the evening. The church is located at 1329 E. Jackson Rd., South Bend. Call 574-291-1156 or e-mail sherry@sherryk.com for more info.

Who's talking about Sherry K now?

Christina Lord, of Creations Magazine,
has this to say about
"A Whole New Woman":

"Sherry K is an accomplished composer and musician. The songs on this CD are a breath of fresh air- unique and original, qualities that are hard to find in these days of synthesizers and drum machines. Some of the tunes are bluesy, some are fast, some slow, but they all come straight from her heart. "
