"BRAVO! That CD is wonderful! So wonderful in fact that I would like to place an order for 12 more. Decided "Sunday Best" would be a great Christmas gift for 12 of our family and friends."

"I wanted to tell you how much I like your new album 'Sunday Best'. You show your talent in all musical styles. Tell Vickie that the clarinet sounds great also. I have been listening to it over and over – your best yet. "

"On my way into work, I was listening to your new CD. It sure made the drive more enjoyable. The CDs will make great Christmas gifts!!! Thanks for hearing tunes and rhythms, most others don't hear or feel. Appreciate your talent so much."

This is what they're saying about Sherry K's newest release Sunday Best: Hymns and Spirituals Freshly Pressed. Recorded at the Gaither Studios, this disc is loaded with fun----these are not your Grandma's hymns! Well, actually, they are, but with a delightfully invigorating toss through the spin cycle to keep them fresh and exciting. If you'd like your own copy, just e-mail Sherry or visit either her site or cdbaby.com (And while you're there, write a review!).

Who's talking about Sherry K now?

Joseph J. Schultz, at Amazon.com,  
has this to say about  
"A Whole New Woman":

"I first heard Sherry K live in a small venue, and she blew me away with only a piano. I own both this CD and Westbound, and have given both as gifts.

Both are great, and take advantage of full (yet not over-produced) instrumentation, but this one moves me more. Rarely have I heard modern instrumental music that communicates such specific feeling and ...narrative. Unlike way-too-many pretentious modern instrumentals (and poems), the titles actually provide an insertion point to the work, and the story unfolds from there. These are definitely not 'background' instrumental pieces – they are as engaging and rewarding and demanding of your attention as good short stories, and you'll feel better for listening!

PS: If you get a chance to see her live, do it!"
